

Processing of Proposal:

Mazars Advisory Solutions Team, after examining the query, will prepare a proposal & provide it to the client. An email will also be sent to the client along with the proposal. Such email will also be sent to the selected secondary email users along with copy of proposal.

By selecting the Proposal Tab, on the left-hand side of the following screen, the client can view the proposal, by clicking on the blue arrow facing rightwards (→). All following actions for acceptance/ rejection of proposal can be taken by any of the secondary email users along with the client.

The screenshot displays the Mazars Advisory Solutions web application interface. The browser address bar shows the URL: advisorysolutions.mazars.co.in/customer/proposal. The client information is MZR123, arnavaggarwal101@gmail.com. The interface includes a sidebar with navigation options: Dashboard, Queries, Proposal (selected), Payment status, Assignments, Schedule, Feedback, Contact us, and About us. The main content area shows the 'All Proposals (1)' tab selected, with filters for Category and Sub Category, and a date range from dd-mm-yyyy to 17-01-2023. A table lists the proposal details:

S.No	Date	Query No	Category	Sub category	Payment plan	Date of proposal	Date of acceptance / decline of proposal	Status	Proposed amount	Accepted amount	Action
1	16-01-2023	Q-12-50	Direct tax	Assessment	2	17-01-2023		Inprogress/ Acceptance	100	0	→

Total records : 1

After clicking on blue arrow facing rightwards (➡), following window will appear:
